Recall Petition To Circulate

The legal publication setting forth the charges and answers to the charges against Councilwoman Maddox and Councilman Wagner in a certain notice of intention to circulate a recall petition will be found in this issue of the Sierra Madre News.

Petitions will be eligible to be circulated any time after midnight of October 11 and, according to information furnished to the News, must be completed and certified by November 7.

No actual and official count has been ascertained, but City Attorney Martin said it would be around 1,500 certified signers needed to call an election.

I just can't understand all this talk about unemployment. Of course, as I told you the other day, United States Statistics said that 75-million were employed in the United States, but did not state how many actually were working...

The other day I noticed an advertisement in the daily newspaper where an opera company on the West Coast wanted spear carriers. I don't know how many applicants applied for the spear-carrying jobs, but I do know that soon after I read the ad, the government's employment index took a favorable turn.

Although I'll have to admit the ad wasn't too clear on some points, it did, nevertheless, make spear-carrying sound extremely fascinating.

The ad stated that a number of average sized men were needed to decorate the operatic stage. The average-sized men, the ad explained, didn't have to possess acting ability. This led me to assume the spear carriers weren't expected to do much more than stand around the stage and look belligerent. If that was the case, spear carrying would be the easiest job in the world. Heaven knows, standing around looking belligerent these days doesn't take any kind of ability, acting or otherwise.

Of course, the spear carriers may have been expected to do more than stand and look. I have no way of knowing. Probably the professional duties of operatic spear carriers is one of the secrets of the operatic trade.

Another point the ad was not very clear on was salary. In fact, it didn't even mention the subject. I consider this a very serious omission. After all, no career-minded average-sized man is going into a new line of work like spear carrying without knowing whether the occupation will support those dear to him. It may be true that show business offers compensations beyond financial reward, but a man's family, even if he is only average-sized, has to eat and have a roof over its head (or heads, if the family contains more than one member).

But despite the ad not mentioning salary, I'm sure the pay must be good in the spear carrying business. Such a specialized calling is certain to be highly unionized. Just the same, before a fellow thinks about uprooting his family to undertake a new way of life, he should have some idea about how much the life pays.

The ad also didn't mention, I'm sorry to state, the hours during which a spear carrier would be working.

'It's A Shame', A Team Who Proved Its Value, Now Dying

by BILL WARK

The long and colorful career of the Sierra Madre Search and Rescue Team has ended, as far as the Los Angeles County Sheriffs are concerned. Team members were "fired" by County Sheriff Peter J. Pitchess when they refused to take his 56 hour training course which would put them on the streets of riot torn areas.

The Sierra Madre Search and Rescue Team, a volunteer group at no cost to the taxpayers, holds the national record of 1075 lives saved or found throughout the mountains of California. They have operated in Los Angeles County for 17 years and have never refused a call for aid. They were scaling peaks and descending cliffs long before the advent of Peter J. Pitchess.

Inyo, Mono and Fresno County Sheriffs have used the Sierra Madre Search and

Rescue Team heavily for the last ten years in difficult High Sierra rescues. They cannot say enough for the dedicated mountain men.

Los Angeles County Sheriff, Peter J. Pitchess, claims he is critically short of men, but of late has maintained a team of paid deputies for mountain rescue work, at no little cost to the taxpayers.

Under the new Sheriff regulations Team members would be required to purchase pistols and uniforms and partake in some 56 hours of police training.

The mountain men would perhaps more often find themselves in the streets than saving lives in the mountains.

Sheriff personnel would direct the operations of the Team, instead of their elected operations leader.

At a recent meeting members of the Sierra Madre Team voted to turn down the Sheriff's demands. They will however assist the cities of Sierra Madre, Arcadia,

Scout Troop 373 Will Hold Family Night and Potluck

Clear air and inspiring mountain scenery surrounded 19 boys and five dads of Sierra Madre Boy Scout Troop 373 during their camp-out at Crystal Lake, the weekend of September 23-24. The planned campsite at Blue Ridge was filled with hunters on the first day of hunting season, causing the shift to Crystal Lake.

The weekend was filled with hiking, cooking out, passing Scout tests, and living close to nature, supervised by Scoutmaster T. Neil Smith. Other fathers on the campout were Ed Cowan, Earl Lindbergh, Jim Allaire, and Jim Haynes.

Troop 373's annual Family Night and Potluck Supper is planned for Saturday, October 7, at 6:30 p.m. at the Congregational Church.

Sierra Madre boys of Scouting age interested in joining Troop 373 are invited to visit the troop at the church, Hermosa at Sierra Madre Blvd. Meetings are every Tuesday evening at 7 p.m.

Worker Killed By Cave-In

A workman was killed in Sierra Madre last Wednesday morning, September 27, when the walls of a sewer excavation at the corner of Lima and Manzanita collapsed and buried him under five tons of sandy soil.

Raul Munoz, 42, of Los Angeles was entombed some 15 feet underground for two hours before rescuers were able to extract his body.

Two other men from the Papac Construction Company of South El Monte, in attempting to save Munoz on the first cave-in were also buried to the armpits when the second cave in completely covered Munoz.

Doctors at the scene said, judging from head injuries, that Munoz may have been killed as the wall first collapsed, the victim of a falling rock.

Next Week Is Fire Prevention Week Announces Chief Charles E. Brown

Nearly a century ago, in 1871 and in Chicago to be exact, a devastating fire leveled nearly 17,500 homes and other buildings and killed more than 200 people. It was the largest fire on record and years later, when officials established Fire Prevention Week, they set

the date around that disastrous Chicago fire of October 9.

So 96 years later, during Fire Prevention Week 1967, we take a few moments to review today's fire losses. In 1966, 12,100 Americans perished in fires. In Los Angeles County, 100 men, women and children will die in fires this year, if predictions are correct.

"People — men, women and children — are the leading cause of fires in the United States," Fire Chief Charles E. Brown reminded today in announcing Fire Prevention Week for October 8-14.

"Theme for the week is 'Fire Hurts,' attested to by the fact that 12,100 Americans died in 1966 because of fire," Chief Brown said. "Of these, more than 2,000 were children."

Leading cause of all fires throughout the nation is smoking and matches.

"But neither can cause fires without people. We must face the fact that people are the leading cause of all our fires," Chief Brown said.

Auxiliary Presents Its Check

Mrs. Jack Tilley has been installed as the president of the Sierra Madre Hospital Auxiliary. The installation took place at the group's luncheon meeting held September 29. Mrs. Carl Hobson, president of Hospital Board of Directors was the installing officer.

Serving with Mrs. Tilley are, Mrs. Edward Chapman, vice president; Mrs. James Morlan, secretary; Mrs. Gilbert Yorba, treasurer and directors Mrs. William Meek and Mrs. Russell Delahooke.

The Auxiliary, a small organization of less than 100 members, presented a check for \$1,438.50 to the hospital as their first contribution to the Intensive Care Unit. Mr. Hobson accepted the check on behalf of the hospital, presented by retiring president Mrs. Harry Wharton.

Fire Call Sat. A.M.

The third Saturday in a row found the Sierra Madre Fire Volunteers called into action at 9:45 a.m. to 679 Brookside Lane.

Crown Truck 423 was the first to respond to the alarm, arriving at the scene in 4 minutes and seven seconds to the home of Mr. and Mrs. Ralph Brown, located in the Canyon. Upon arrival it was found that leaves having dropped into the vent pipe of the water heater had caught fire. The fire was quickly contained with truck and men returning to the station within fifteen minutes.

J. C. "CURT" NEWMAN, Area General Manager, and Henry Schull, Monrovia Division Manager, General Telephone, are shown receiving from Bob Goodrich, Area Safety Supervisor, plaques awarded by the Greater Los Angeles Chapter of the National Safety Council. These awards commemorate the 1966 safe driving records of employees in the Monrovia-Sierra Madre-Duarte Exchange Operations together with those employed in the firm's Monrovia General Office complex. Competing in the Public Utilities Division for cars driven 100,000 miles per month or less, CW&T — General Telephone employees stationed in the Monrovia Area garnered both first and second places. Also shown are Stan Ehlers, Area Construction Supervisor, and Robert Pearson, Area Supply and Transportation Administrator.

THE BODY OF RAUL MUNOZ, 42, of Los Angeles, being raised from the trench where he lost his life last Wednesday morning as the sandy dirt caved in on three men at the end of Lima St. and Manzanita Ave.

CITIZENS AND WORKERS look on helplessly as efforts were made to dig out the three workers buried last Wednesday under five-tons of sandy dirt.

HIS BROTHER and one helper work frantically to uncover Raul Munoz, entombed some 15 feet underground.

MRS. HARRY WHARTON, retiring president of the Sierra Madre Community Hospital Auxiliary; Mrs. Jack Tilley, new president and Mr. Carl Hobson, president of the hospital Board of Directors look over the check for \$1,438.50 presented by the Auxiliary for the Intensive Care Unit of the Hospital.

show the youngsters how to leave in case of an emergency; the same procedure should be followed in every home."

Plan two escape routes from every room. One might be blocked by heat and smoke. A window from a bedroom often is an excellent exit. Even a second story window often leads to a garage roof or a patio roof that can be used to leave the house.

Chief Brown suggested that families discuss what steps they will take in case of a house fire, especially at night.

(1) At the first sign of smoke, alert everyone in the house. Do not open bedroom doors and rush into hallways. Hot gases can kill.

(2) Get everyone out of the house by pre-determined routes. Have a place to meet (by the street light, at the big tree in the rear yard, at the house next door). Call the fire department from a neighbor's phone.

(3) When you are sure everyone is safe, attempt to extinguish the blaze. A fire extinguisher or garden hose

may be sufficient. Smoke and gases in a burning house often fill every room. If the smoke is thick, crawl on the floor; air is cooler there. Take short breaths.

"Your Sierra Madre Fire Department answers more than 150 alarms each year," Chief Brown said. "Many are fires in homes caused by careless people. Most are needless tragedies that could have been prevented by practicing a minimum of fire safety."

Five minutes planing to night could save years of agonizing heartbreak if fire broke out and someone in your family didn't make it to safety. One hundred men, women and children in this county won't make it out. Make sure your family isn't listed in the 1967 statistics.

The value of property saved by the U.S. Coast Guard last year amounted to three times the sum allocated to the Coast Guard for its operation during the same period.

Pasadena To Hold Red Cross Annual Family Night

Pasadena Chapter of the Red Cross, a United Crusade supported service, will be host at its second annual Armed Forces Family Nights in the chapter house, 430 Madeline Dr., Pasadena, October 3 and 10.

Both programs start at 7:30 p.m. and end at 9:15 p.m. with refreshments. The events, to which families and friends of servicemen in the Pasadena Chapter area are invited, are sponsored by the chapter's Services to Military Families program, according to Mrs. James W. Taylor of Pasadena, chairman of the two events.

Families of the U.S. Army and Air Force servicemen are invited for October 3 and those of men in the U.S. Navy and Marine Corps for October 10. Mrs. Don Hull McCreery of Pasadena is chapter chairman of Services to Military Families.

Among SMF committee members assisting are Mrs. H. A. Calkins, Monrovia; Mrs. A. E. Sears, San Marino; Mrs. Catherine Law, Sierra Madre; Mrs. Edwin Tarbox, South Pasadena; Mrs. John Inglis, Altadena; Mrs. Gordon Lewis, Altadena; Mrs. H. A. McCaughna, Monrovia.

Asthma Institute Luau Held

The Carh Children's Asthma Research Institute and Hospital held its annual luau September 30, at the home of Mr. and Mrs. A. Katzman, 2823 Magna Vista, Pasadena.

This Institute deals with the treatment and care of intractable asthma, and other allergic diseases, for which they are now searching for a cure. A non-profit organization, it treats anybody, regardless of race, creed or color, and from all parts of the nation.

The chairman of the luau, and past president of the Institute, Mr. Larry Karas, 51 Esperanza, stated that all the proceeds from the party were donated to the organization for scientific research.

Accountants To Hear About Keogh Bill

"The Keogh Bill" will be the topic of the guest speaker when the Foothill Chapter of the Society of California Accountants meet for their monthly dinner meeting on October 10, at Eagle Rock Lanes, Los Angeles.

Mr. Charles C. Zahorik, of the Charles C. Zahorik Agency in Alhambra, is well-versed in the field of employees annuities, rendering service to many firms, as well as the municipal schools, throughout the State of California, and his firm specializes in this field exclusively.

This is a subject of great interest to all accountants, and reservations may be made by calling Harold Reitzel, 842-6146, not later than Monday, October 9.

Taboreks Return From Alaskan Motor Trip

Mr. and Mrs. Jerry Taborek, and their two sons, Peter, 15, and Eric, 11, 2165 Canyon, recently returned from a four week Alaskan motor trip. Starting from Arcadia, they drove through British Columbia to Prince Rupert, and from there loaded themselves, and their car on the Alaskan Ferry that took them to Jeaneau. However, since that city has very little highway, it wasn't long before they again boarded the Ferry headed for Helms, Alaska. It was at that point where they really got started on their motor trip, via the Alaskan Highway, and on-ward towards the Yukon Territory.

Among the places they visited were Fairbanks, Valdez, (which was in the process of being rebuilt after the earthquake), and McKinley National Park. On their way to see Mt. McKinley, though, it started to rain, and they were all very disappointed by the fact that the weather caused them to miss it.

You and Your Neighbor

Victoria Hammersmith, 275 E. Orange Grove, daughter of Mr. and Mrs. Michael Dooley of the same address, started classes at the Mariello-Comar Beauty College in Pasadena recently. She graduates this coming May, after which she hopes to study abroad.

Little Christopher Hauser, 340 Sunnyside, is experiencing a whole new world and loving it. The 3½ year old son of Mr. and Mrs. Christopher Hauser, has just started Nursery school, three mornings a week, and reports that he is having a ball. While he is away, his thirteen month old brother, Peter John, is home keeping mommy company, and discovering a little more about life and table tops as he puts to use his newest accomplishment . . . walking. Welcome, Christopher and Peter to the classes of 1967 and 1968.

Jane Ecker, 168 N. Baldwin, is one very excited school girl. She is a freshman at Alverno, and after only a few weeks is con-

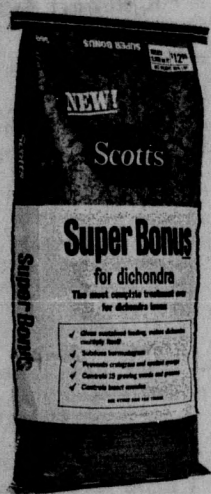

vinced she loves the life of a high school student. Meanwhile, her younger brothers, Frank, 13, and Terrence, 10, are putting all their efforts into regular football practices at St. Rita's, in preparation for the coming football season. The two youngest Eckers, Tim and Anne, are concentrating on their second and third grade activities.

Michael Karas, 51 Esperanza, is a senior at PHS, and is already a student teacher on the staff of Music for Everyone. His specialty is the drums, and with good reason. He was formerly with the "Quintet De Sade," who entertained at such places as the Pasadena Ice House, the Sherman Oaks Playhouse, and the Century City Playhouse. Mike's brother, Dennis, is a senior at San Diego State, where he is majoring in education.

To Again Take Marked Increase

Sunday, October 1, cigarettes go up another three cents a pack or 30 cents per carton, with the \$72 million annual income going to California's 400 cities and 58 counties.

Richard Nevins, Southern California member of the State Board of Equalization, which collects the revenue for local government, also reminded more than 100,000 cigarette retailers recently that they should take an inventory before the start of business Sunday and report stock on hand to the State Board along with the tax by October 31.

The additional 3-cent levy

was enacted by the 1967 Legislature to increase local revenues. A 4-cent per pack levy was added August 1 to help finance the state budget.

The Board estimated that the cities and counties would receive about \$49 million this fiscal year and \$72 million annually thereafter.

The October 1 date for the cities and counties cigarette levy was chosen to give 39 charter cities an opportunity to repeal or suspend local ordinances imposing cigarette taxes varying from 2 to 4 cents per pack.

Famous Flower

An outstanding exhibit of flower portraits by Ethe-lynde Smith will be on exhibit at Altadena Federal Savings for one month beginning next Monday, it has been announced by Arthur L. Ferris, president.

The main exhibit will be in Altadena at the Association's head office on north Lake Avenue, with a few select paintings on display at the Washington-Alten branch in Pasadena.

The array of floral wonders should attract widespread attention, according to Mr. Ferris, as Miss Smith has become world famous for both the beauty and botanical accuracy of her artistry. Having painted some 1300 water colors of 556 subjects, including many of the wild and garden flowers prevalent in California, New England and Europe it is understandable that her work should have attracted the favorable attention of art lovers.

Beginning her painting career in 1943, Miss Smith has exhibited in 152 national history museums, art galleries, universities, botanical gardens, arboreums, libraries and similar public places.

Exhibit 1-Month

The exhibit is open to the public in both offices during business hours Monday through Friday of each week throughout October.

Library Film

An amazing variety of subject matter, both fiction and non-fiction, to appeal to all ages.

Yours for the asking is an interesting program for your club... a Saturday afternoon of delight for the neighborhood children... or just a pleasant evening watching films with your family. Lists of the 16mm films are at the Library. Kept at the libraries in Pasadena, South Pasadena, Altadena and Monrovia, films will be delivered to the Sierra Madre Library at your request. Projectors and screens can be rented locally, if needed.

During the year 1966-1967 over \$5,000 was invested from the library system funds to give this service. Another \$3,000 has recently been spent to add new films to the already outstanding collection.

Please note—new telephone number of our Library is 355-7186.

As I said a few weeks ago, people save the strangest things. Now I find that I personally have a very difficult time throwing away a ball point pen and by time and chance have built up quite a collection of utterly useless pens that probably would write if I would put new filers in them. It doesn't seem to be something I am motivated to do, I just save them in case — in case of what I am not sure, but in case.

Actually, ball point pens could develop into a very interesting collector's item. When you stop to think of all the different commercials it could turn out to be like a match collection with the added fillup of variation. In my defunct collection I have the standard garden variety with "buy your stock and feed at XX's Feed Store." In addition I have the kind that the hotel's furnish with the price of a room sporting a letter opener on one end, or just the desk variety. There is one that writes in six different colors of ink. Can hardly lift it or manipulate it but it really doesn't matter because it's all dried up anyway.

Last week I got a little pen in the mail that is no larger than a match stick in diameter and just slightly longer. There is a fascinating one in my collection that has a pen on one end and a pencil on the other. Both are out of ink and lead respectively, but nice!

My word! I didn't realize till I got to chatting with you that I really do have a collection of pens. I am willing to part with them, however, if I find a collector who is just a mite more serious about it than I am. If not, I'll just add them to my dried up felt tip pen collection.

With school in full session, club work and meetings are beginning to take flight priority in the day's activities.

The Villa Guild of Rosemary Cottage met last Monday morning at the Henry Asher home on Edgely Lane. The topic of conversation was a report on the Cottage activities for the summer. The members were asked to give suggestions on the fund-raising activities that would be most agreeable to them.

Mrs. Paul Narowich is hospitality chairman and served coffee and rolls throughout the meeting.

The president of the group is Mrs. Francis (Margaret) Howell, who was drafted for a second term in office.

Speaking of the Howells, they returned last week from a long weekend in Las Vegas at the Frontier Hotel. They were with Mr. and Mrs. Stu Woodruff, Mr. and Mrs. Ed Pongers and Mr. and Mrs. Lou Eaton. She said the weather was absolutely perfect all of the time they were there.

The Pepperhill Alumni Bridge Group got together last week at the home of Mrs. Al (Jerry) Dunn for the first time since summer began. The luncheon and bridge table were just buzzing with their most recent activities. The guests were Mrs. Dom (Pat) Giangregorio, Mrs. William (Pat) Olson, Mrs. Bob (Carmen) Farmer, Mrs. Brewster (Carol) Benedict, Mrs. Guy (Betty) Knudson, Mrs. Malcolm (Gloria) Murison and Mrs. Al (Betty) Stearns came as a fill-in guest to join the group.

Two Cyclists Involved In Auto Accidents Same Day

A few minutes before noon, Monday, Lester Brown, 57, of 168 N. Mountain Trail, rode his 3 speed bicycle past the Sierra Madre Community Hospital. He suddenly found a car in front of him. "I didn't see the car until I was on top of it. . . I struck the vehicle and fell, hitting the driveway. I didn't put my brakes on in time."

Forrest Eugene Watts, 20, 50 W. Sierra Madre Blvd., was driving his 1964 Pontiac down the driveway from the Sierra Madre Medical Center parking lot, intent upon entering onto S.M. Blvd. when, to his surprise, the side of his vehicle was struck by Mr. Brown on his bicycle.

Upon arriving at accident scene within moments after receiving report, investigating officer, J. M. Samony found only the involved vehicles. Bike rider, Mr. Brown was already in the emergency room of the S.M. Community Hospital being treated by Dr. William White. Injuries sustained by Mr. Brown were listed as being a 1/4 inch laceration on the scalp and a 1 1/2 inch hematoma of the scalp. X-rays were taken as a precaution, but showed no evidence of skull fracture.

A second accident involving a bicycle occurred later in the day at 5:55 p.m. in front of the victim's home, 633 West Montecito. James Miner Graham, 10, was hit by a car traveling eastbound at 25 mph on Montecito, driven by Michael Robert Leigh, 16, a student at Pasadena High School. Mr. Leigh stated that he tried to stop the 1962 VW he was driving, but it was too late.

Young James Graham stated he rode his bike out of his driveway and guessed he got out onto the street further than he had intended. He did not blame the driver of the car. Mrs. Graham, mother of James, telephoned the Police Department later to say that the boy was out of St. Luke's Hospital — where he had been taken by ambulance — and in good condition.

Investigating officer, L. J. Sims reported that no further action is contemplated at this time.

Notes From The Shakespeare Club

The Philanthropy Department of the Shakespeare Club will hold a work meeting on Thursday, Oct. 12, at 10 a.m. in Stratford House. Mrs. John R. Vidic, welfare chairman, and Mrs. Kenneth H. Scott, director, remind members to bring their lunch; coffee will be served.

The Poetry and Creative Writing Department of the Shakespeare Club will meet on Monday, Oct. 16, at 11:30 a.m. in Stratford House. Mrs. William Mehlberger will talk on the poetry, songs and stories of Africa. Miss Florence L. Swindell, director, reminds members to bring a sandwich; coffee and dessert will be served by the hostess, Mrs. Paul Clarke.

A car moving at 60 past a car doing 45, passes what amounts to 40 parked cars.

Personals are messages between two parties who, for unknown reasons have no other method of contact.

HAZEL — How in the world did that sack Overholt of Vogue Cleaners, know that I spilled soup on my dress. Now I can get it cleaned for only \$1.19. Hubby won't be half as mad at me and may take me out a.g.a.i.n. He thought it would be a \$3 job. Thanks, Jack, you saved this gal's neck — MABLE

Dear Editor Bob:
Noticed the following in the sheet last week: Sierra Madre was officially represented by Jan Maddox at the independent Cities Seminar in San Diego last weekend. Mayor Pro Tem Wagner also attended the 3 day convention.

Which brings me to the point regarding the cartoon this week where Ole Ralph was thrown to the sharks. Don't see Ed and Jan around any place, so guess they were away somewhere as usual.

THE BARON
TEAR-UP — Try turning off the air conditioner again. It's fur trying, but you have to have the combination. — TU-MORE

KAREN — I am calling for your help again. This time I need it much more than ever before. Please do not let me down, I will repay you — TINY TIM

CHARLEY BROWN — Congratulations, ole buddy, the Chamber of Commerce did a nice job, but something that we have known for many, many years. You deserve every word of all of it.
—FIRE LADDIES

Betty:
Let's have a contest to name the minority group in the Council. First prize, a weekend with Ed and Jan somewhere near here. For starters how about:
The Gruesome Twosome
The Daily Double
The Detestable Duo
The Brazen Brace
The Pathetic Pair
I am reserving the title, "The Odd Couple" for two not on the Council.

LADY GODIVA
P.S. The only trouble with a divorce is trying to decide who gets custody of Marie W.
LG

THE BRAZEN TWO — Research is closing in on you. Testimony, documents, letters, past history, it will also make wonderful reading — SPI

SULLY — I heard the last couple of days or so that the other news paper thrown around Sierra Madre was going to change hands. Something about Japan. Suppose they may change their name also to "Fairy Tales." — BBH and TURNBULL

REWARD
Dear (?) Peanuts Snatcher: Please deliver the two missing pieces of our favorite cartoon to City Hall — They probably adhered to your sticky (yuk) fingers! No questions asked!
Sincerely
Jig-Saw Puzzle
Enthusiast!

Dear Editor Bob:
A WARNING FROM COUGAR NUGRRR, Jan & Ed are road experts so fair, They don't have to heed Smoky the Bear. When a forest fire comes, What's the difference in a foot or two. If the hills are charred black, There's nothing left to view. Bard of the Foothills, Cougar-Nugrrr, Ltd.

Morrison, husband and wife, and recorded September 15, 1966, in Book TS103, Page 288, of Official Records of Los Angeles County, California, given to secure an indebtedness in favor of Mally H. McLean by reason of the breach of certain obligations secured thereby, notice of which was recorded June 28, 1966, in Book M2591, Page 123, of said Official Records, will sell at public auction to the highest bidder for cash, payable in lawful money of the United States at the time of sale, without warranty as to title, possession or encumbrances, the interest conveyed to and now held by said Trustee under said Deed of Trust, in and to the following described property, to-wit:

Lot 1 of Tract No. 24567, as per map recorded in book 638 pages 93 and 94 of Maps, in the office of the county recorder of said county.

for the purpose of paying obligations secured by said Deed including fees, charges and expenses of the Trustee and of sale.

Pop Warner Teams Win Three

Pasadena Pop Warner Pee Wee Mustangs started the day at Victory Park at 9 a.m. with the strange score of 6-2 in favor of Pasadena. This is the second game which the Mustangs have played in it — a most unusual occurrence.

The next game of the day, at 11 a.m., saw a fired-up Pee Wee Bulldogs team overpower a King Conference representative, the Huntington Park Vikings by a 34-0 score. At that four touchdowns were called back. Sierra Madre boys Steve Hardy, Steve Tartaglione, Scott McKay, Tom Tartaglione, Vince Grippi, and Part Bradley saw action in the lop-sided affair. This tough group of boys on defense have yet to yield a point in three straight games at Victory Park.

The third game saw the Midget Bulldogs lose to a very tough Glendora Tartan team by a 25-14 score. The Bulldogs had numerous opportunities but could not connect at the right time. The Tartans doubled the yardage gained by the Bulldogs, 250 to 120.

Such stalwart Sierra Madre boys as Eric Skarin, Paul Hardy and Andrew Forest tried to stem the tide but Glendora, a powerhouse, was not to be denied.

The last game of the football-filled morning and afternoon at Victory Park saw the Junior Bantam Bulldogs barely go past a stubborn West Covina Hawk team 19-6. The exceptional Pasadena team tried three times to punch over additional touchdowns but were thwarted by a stubborn Hawk defense.

Next games for the Pasadena Pee Wee Bulldogs and Midget Bulldogs are at 1 p.m. and 3 p.m. at Bergstrom Stadium in El Monte this Sunday.

The Pasadena Mustangs play Glendora this Saturday, 1 p.m. at Glendora.

The Junior Bantams venture to La Puente to play at 3 p.m. this Sunday.

Mrs. Yeda Adams, retired Sierra Madre school teacher — known to some of us older as Miss Appleby — now lives in Pasadena. Mrs. Adams, who has resided at the 842 E. Villa address since April, 1965, states that she is always most pleased to hear from her many friends and former students. Daughter, Betty Jo Griffith, is the wife of a Whittier pediatrician and the mother of three children. "Grandmother" Adams is very proud of her three teenage grandchildren. My, but Mrs. Adams made Early California History come alive before our very eyes.

Robert and Gladys Archibald of 262 Manzanita will be very happy, indeed, when repairs to Manzanita are completed and all is back to normal.

**SIERRA MADRE NEWS
NOTICE OF INTENTION
TO CIRCULATE
RECALL PETITION**

Pursuant to Section 27504, California Elections Code, the undersigned, registered qualified voters of the City of Sierra Madre, State of California, hereby give notice that they are the proponents of a recall petition for the election of a successor to EDMOND M. WAGNER, Councilman of the City of Sierra Madre, California, incumbent, and intend to circulate said petition in said city for the purpose of procuring signatures of registered qualified voters thereto. The grounds for the proposed recall are:

For failing to perform his councilmanic duties in an impartial and objective manner; for ignoring the requirements of the city code, and with malice interfering with the administrative operations of the various departments to the extent that most department heads have resigned their positions of long standing with the city; for incompetence in serving as the council's representative to the Los Angeles County Flood Control District, delving in technical details outside of his field of professional competence and thereby preventing a necessary public works program; and the waste of many thousands of dollars of public funds for city council members' time spent on said project; for confusing the important problem of supplemental water to the city; point that no action has yet been taken by the City Council to insure a future supply for the city; for impeding the acceptance of a subdivision by the city thereby depriving the city of needed tax revenues; for impeding the objective consideration of the municipal budget; for the deliberate attempt to confuse the public on the financial needs of the city; for misrepresenting actions of commissions and committees to which he has acted as a council representative; for refusal to accept expert technical advice and for failure to represent the citizens of Sierra Madre as a whole; for the city sending the interests of a few selected individuals.

REPLY TO NOTICE OF INTENTION TO CIRCULATE RECALL PETITION

Pursuant to Section 27505, California Elections Code, the undersigned, Edmond M. Wagner, Councilman for the City of Sierra Madre, Incumbent, does herein reply to the proponents of his recall, to wit:

DUTIES
I have at all times conducted my duties as Councilman impartially and objectively.

ADMINISTRATIVE
I am aware of the Code provisions prohibiting Councilmen from giving orders to employees, but providing for inquiries to develop information. I have adhered to these principles and when requesting information found the employees cooperative.

SIERRA MADRE WASH TECHNICAL COMPETENCE
In my profession I have practiced often in the field of hydraulics, and my Stanford University Engineer's thesis, on subject in hydraulics, won the Junior Award of the American Society of Mechanical Engineers. Study of control of debris and flood waters in the Wash has produced a solution on which a Patent has been applied for with free license for Sierra Madre. As of September 28th, a three month study was completed, achieving control with the present dam and channel. It is to be submitted on completion of drawings.

SUPPLEMENTAL WATER
I am not the official Council representative to the SGVMD, nevertheless, I have attended ten meetings of this District in the past year, and have been instrumental in forwarding plans for the drilling of a well, financed by the District, to supply supplemental water for Sierra Madre. The proposal is now before the Council.

SUBDIVISIONS
During my term, two subdivisions have been started and completed; a third partially completed under the responsibility of the previous Council, Administrator and City Engineer at the time I was elected, was in violation of some code requirements.

FINANCIAL NEEDS
The opposite of the statement made is true. The Chairman and two Councilmen prevented objective discussion of the minority recommendations, which included a meticulous review of the City's financial requirements, including a four year projection, professionally audited without cost to the taxpayers. Presented July 11th, for two months it was not allowed hearing. Instead a budget, seen for the first time at the meeting of its adoption was forced through without explanations or adequate discussion. This budget contains such major errors that the only picture possible was an utterly confused one, resulting in an unwarranted tax increase of \$1.50 which I opposed. The document submitted and adopted showed gross incompetence in understanding and formulating the budget on the part of Councilmen King and Sorenson.

The following subjects are so vaguely stated that only a general answer can be given:
TECHNICAL ADVICE
In pursuing the City's business I have often requested and considered competent professional advice.

COMMITTEE REPORTS
My reports on Committee activities have always represented the action of any commission or committee for which I have acted as Council representative.

REPRESENTING CITIZENS
I have acted to represent the majority while maintaining the basic rights of individual citizens. **BASIC NEEDS OF THE CITY**
During 17 months as Councilman I have acted to supply the City's basic needs, neither oversupplying nor ignoring them, always considering the economic factors involved.

I stand on my record on the above matters.

MADDOX, Councilman of the City of Sierra Madre, California, incumbent, and intend to circulate said petition in said city for the purpose of procuring signatures of registered qualified voters thereto. The grounds for the proposed recall are:

For failing to be impartial and objective in carrying out her responsibilities as a councilwoman; for circumventing the city code and interfering directly with city personnel in the performance of their duties; for harassment of city department heads in public and by other devious means to the extent that most have been pressured into resigning their positions with the city; for publicly stating without justification her lack of confidence in city personnel thus hampering the recruitment of competent replacements; for ignoring the policy making role of the council as clearly defined in the city code and by state law; for her inability to make decisions, her inflexible attitude and for her distrust and failure to work with the other members of the council in legislating for the good of the city; for her disruption of the council's business by her show of favoritism to selected individuals rather than impartiality; for impeding the orderly and objective consideration of the municipal budget, and confusing the public on the financial needs of the city; for attempting to generate distrust of the citizens in other members of the city council; for her failure to consider objectively the needs of the city as a whole thereby depriving Sierra Madre taxpayers of proper representation and effective city government.

REPLY TO NOTICE OF INTENTION TO CIRCULATE RECALL PETITION

Pursuant to Section 27505, California Elections Code, the undersigned, Jean G. Maddox, Councilman for the City of Sierra Madre, Incumbent, does herein reply to the proponents of her recall, to wit:

Very allegation is hereby denied generally and in particular as completely false so distorted as to compromise the same thing.

The 1966 election demonstrated general dissatisfaction with Sierra Madre conditions: deteriorated buildings, water system, parks and equipment, costly damage and litigation resulting from errors and lax code enforcement. Since then as a member of the Council's Capital Improvements Committee, I have devoted months of study to the cost of needed improvements versus our modest financial base.

Twice Mr. Wagner and I submitted five-year, pay-as-you-go capital improvement recommendations encompassing a new civic center, recreational facility, continuing maintenance and outworn equipment, updating of the water system, with provision for continuing maintenance and depreciation. Twice these recommendations were ignored.

The 1967-68 budget, adopted over many citizen protests, takes all '67-68 capital improvements monies, plus \$20,000 water monies, precluding any comprehensive pay-as-you-go plan.

The minority budget recommendations, submitted six weeks prior to deadline, were directed towards a common-sense solution of our city's problems, including capital improvements monies. Council majority refused consideration. Instead, they adopted, without discussion, a proposal never submitted prior to adoption. The \$120,000 in errors subsequently revealed justifies my protest.

Council is legally prohibited from prejudging matters. I believe it is morally prohibited from judging on scant or erroneous information. I have always been capable of making a decision once sufficient information was provided. To this end I have requested information from staff members, both in and out of council, have at no time circumvented any section of state or municipal codes, nor issued an order to any employee, confining myself to inquiries submitted through proper channels. Several employees expressed appreciation that a councilman took interest in being properly informed.

When repeated costly errors occur, Council must investigate and change the cause, whether it be procedures or personnel.

**A Newcomer's Description
Of Sierra Madre**
by PEARL B. THOMAS

One road sign says City of Sierra Madre. Just below it, on the same post, an arrow points south and a sign reads Santa Anita Race Track — 6 block. Sierra Madre is a tiny village at the base of the Sierra Madre Mountains, tucked in between Pasadena and Arcadia. It has never progressed. The old frame homes have shingled roofs and are hidden by age-old trees.

Magnolias and palms prevail but there are hundreds of other varieties. This town is the home of the famous wisteria vine, planted in 1894, and now covers a square block. It is magnificent when in bloom, with great clusters of purple flowers resembling sweet peas, hanging downward from a latticed frame work which supports its tremendous weight.

One of the finest markets in the west, Robert's (The Home of the Green Frog), is on a corner in the center of town. Forty-two years ago, when the market was but a shed, a frog resided in a large pond near the entrance, hence the name.

Each clerk wears a jeweled frog pin on her uniform. The building, though small, is stocked with the finest gourmet foods available. Their slogan is "Large enough to serve you — Small enough to know you."

It's a joy to walk to and from the market. My apartment is one and a half short blocks east. Starting out, I take a deep breath as a absorb the beauty of the mountains just two blocks north. Myriads of trees, shading the sidewalk on my trek, house many species of birds. One constant symphony is in session all the way.

One gorgeous species, which must be indigenous to this particular area, is the red-headed woodpecker. His wings and body are black and white and his head is a deep true red. I watch hundreds of them during my short delightful walk, all pecking away at the old shingled roofs and at light poles, seeking insects. Audubon says, in his "Birds of America" book, that they also eat fruits and nuts. Perhaps the numerous fruit trees, as well as the old frame dwellings, which also attract termites and wood-boring beetles, provide them an abundant living, and account for their innumerable numbers.

On my return trip, I give in to an irresistible urge to place my purchases on the ground and pet the adorable white kitten and the old mongrel dog who live next door. I'm afraid the dog's days are numbered, partly due to the strenuous, merry pace he is forced to endure, pestered by the playful kitten.

On I go, and into my pleasant living quarters, to prepare a sumptuous repast, my heart filled with joy and peace and my body refreshed. Everyone I've passed on the street, and seen in the market, has smiled and spoken some cheerful word.

I guess, in a small town, such as this, one learns the real meaning of the Brotherhood of Man and the Fatherhood of God.

A PORTRAIT OF SIX MEN
Whose integrity, knowledge and experience guide the destiny of our association

ARTHUR L. FERRIS, President, General Manager, Director. As the man at the helm of the Association, Mr. Ferris is particularly cognizant of the value of the savings habit as a path to financial security. During his twenty-two years of service, he has observed the many benefits that accrue to those who save.

JOHN I. BOLEN, Vice President, Director. As a business and tax consultant, operating his own firm for thirty-three years, Mr. Bolen has acquired a tremendous reservoir of experience in tax and investment planning as they apply to both individuals and corporations.

TED R. WOOD, Director. Since 1954, as founder, president and general manager, Mr. Wood has directed the activities of his own firm, Pantry Food Markets. He has been a successful Southland business leader for more than twenty years.

C. WILSON WHITSTON, Director. For more than thirty-two years Mr. Whitston has served as management consultant to executive and corporate entities throughout the world. His activities embrace economics, business management, finance, real estate planning and engineering economy.

WALTER M. DRAKE, Senior Vice President, Director. As a member of the executive staff of the Association since 1947, Mr. Drake has acquired an extensive in-depth knowledge of all aspects of savings and loan operations...with particular emphasis on home loans.

ROY E. DAHLIN, Director. For many years Mr. Dahlin has occupied a high executive position with the Southern California Edison Company. As a business leader, he is well acquainted with today's financial/investment problems.

Las Companeras Hold First Lunch

Members of the Las Companeras Club of Pasadena, held their first season luncheon at a nearby restaurant in San Marino, October 4.

The featured speaker was Mr. William Fisher, introduced by program chairman Mrs. Gordon Newhouse. His talk was entitled, "What Would Grandfather Say?" Mrs. Ronald Toms, president, greeted members and guests.

You and Your Neighbor

Mrs. Helen Ditty, formerly of Sierra Madre, was married Friday, September 22, to Paul Veblen of Santa Barbara. The ceremony was performed in the Pilgrim Chapel of Central Union Church in Honolulu, Hawaii. Mrs. William Gosline of Los Altos Hills, was matron of honor for her sister, and Mr. Gosline was the best man. The bride, daughter of Judge W. F. Thayer, a past resident of Sierra Madre, and the late Mrs. Augusta Brewer Thayer, attended Pomona College and graduated from University of Southern California. Mr.

Veblen is executive editor of the Santa Barbara News Press. They will be at home at 4411 Via Cayente, Hope Ranch, Santa Barbara, after two weeks in the Hawaiian Islands. Mr. Veblen's brother, John and his wife Jean, reside at 235 Cañon, Sierra Madre.

After living 17 years in Sierra Madre, the William T. Barnes family, 585 W. Grand View, is moving to India. In case you're wondering where that is, it's in the desert, outside of Palm Springs, and the mercury often hits 110. Mr. Barnes, and the two children, Donna and Bill, are already there, but Mrs. Barnes is finishing the move, expecting to join her family some time within the month.

Catherine Lekis, a niece of Mr. and Mrs. James Alexakis, 3685 Londfair, Pasadena, is still talking about her three month tour of Europe. She and her parents, along with one of Catherine's friends, spent the entire summer visiting most of the European countries, including Holland, Catherine's favorite. On most occasions they toured with professional guides, but once in a while they took off and wandered around by themselves. Cathie is presently a student at Santa Barbara State College.

The Arnold Knudsons, 683 W. Grand View, recently entertained Mr. Knudson's grandmother, Mrs. Mary Becker of San Francisco. During her week and a half stay, she and the Knudsons were entertained by friends in Granada Hills and Arcadia. They also went to the Pavilion, dined at the delightful Japanese Miyako Restaurant, and enjoyed a night with Julie Andrews in "Thoroughly Modern Millie." Even though Mrs. Knudson admits being a little worn out by that busy week and a half, she and the family are anxiously looking forward to Mrs. Becker's return.

The first U.S. Marine Corps unit was a ship's detachment assigned to the "Cabot" in December 1775.

The ricksha used in the Orient today was invented by Jonathan Goble, a U.S. Marine who visited Japan with Perry in 1854.

Barbershop Quartet Group Seeks Members

We all know that rowdy saloons, patronized by unshaven cowboys and town drunks, are out, but the barbershop quartets that existed then are still around today.

The proof of this statement is the fact that the Society for Preservation and Encouragement of Barbershop Singing in America Inc. is organized throughout the world, with its International Headquarters in Wisconsin. Although the membership totals 29,000, Sierra Madre is not well represented. In fact, Fran Eakman and Eugene "Wip" Lakin, are the only members in our town. Mr. Lakin states that he is eager for more men to join, and announces some of the organization's future activities.

On the 20th and 21st of next month, the competition for choruses and quartets from the Far Western District, including Hawaii and Alaska, will be held in San Diego, with approximately 30 choruses present. The Arcadia chapter is entering its 60 man chorus and three quartets, and Mr. Lakin states that he is confident that they will win. The winners from this competition then go to the International showing in Pittsburgh, Penna., and compete for a large trophy, and the prized distinction of being number one.

The membership goal for the Arcadia Chapter is 101, which will be a 25 per cent increase in their present enrollment. It doesn't appear too difficult a task, however, as over the past six months they have increased their membership 100 per cent. In March of this year, the total was 35, and the number now stands at 74.

Anyone interested in joining should contact the Arcadia Chapter of this Society, or call Mr. Eugene Lakin at 355-2410.

Machines To Be Available For Voting

The Board of Supervisors recently voted to make available to cities and school districts the new IBM Votomatic device.

Supervisor Warren Dorn, who had consistently fought for approval of the system because of its economic and efficiency aspects, said city and district use would be of "great help" to the local jurisdictions.

"The only reasons we recently changed from the old voting system were the proven economies and efficiency of the Votomatic," he said.

"The savings will be great to the county. We want to share these savings with the cities to benefit all taxpayers," added Dorn.

There will be no charge to the cities nor the districts other than normal insurance costs.

Dorn said that he had talked last week with Registrar of Voters Benjamin Hite, Election Devices Committee Chairman Jack Lawson and the Chief Administrative Office and urged that proper contracts be drawn to allow the cities and districts to use the IBM.

Mr. and Mrs. James M. Hezlep, 34 W. Bonita, and Mr. and Mrs. Richard Johnson, 397 W. Montecito, left yesterday for San Francisco on a short vacation. The occasion? The Hezlep's parents, Mr. and Mrs. James M. Hezlep Sr., of Pasadena, are starting an ocean voyage to the Orient from that city, and the Johnsons and the Jr. Hezleps are going on the first leg of their journey to see them off. They plan to stay in San Francisco for a few days, returning home over the weekend.

Keep your money in a safe place.

There are lots of places to keep your money. Places that are safe. And places that are not so safe. When it's the money you've set aside for your savings, you want to keep it where you know it's safe. Where you know it's earning a profitable return. And where

you know it's available when you need it. That's the kind of money to keep in the world's largest bank. You can't find any safer place than that.

Charles Brown Honored By C. of C.

to say that this man volunteered his service to the community of Sierra Madre well over an estimate of ten thousand hours." Then President Doug concluded, "Wouldn't that make a nice check, even though it would just be figured on the California minimum hourly wage?" It was very appropriate that Charley E. Brown

should be the recipient of the third Sierra Madre Chamber of Commerce Community Service Award in October, for you see October is "Fire Prevention" month, a month when all Fire Chiefs and their men stress the importance of prevention of fire. As Chief Brown has told him men, time after time, "It is indeed far easier to prevent fires than it is to suppress them."

Chief Brown now has 24 regular members of his Sierra Madre Volunteer group together with 11 reserves. They are indeed proud of their Chief, but no prouder a man is now alive than Chief Charles E. Brown; he is a model that many of his men constantly strive for, and many reach with the help of one of the finest men in Sierra Madre.

FROM THE Fire Side

We said quite a bit the past few weeks about the clothes, or lack of, that some of the firemen are sporting when they appear on the fire lines but the past couple of weeks have been the bitter end.

First of all at the night fire a couple of weeks ago on East Grand View we got there to find Assistant Chief Goodall with short shorts. He has his turn-out coat on over them and as we went past he was standing in a huge puddle of water and had his one foot crooked up to the knee of his opposite leg. With his spindly legs and standing like that he looked like an overgrown heron that somebody had set loose. If we had a fish in our hand we probably would have thrown it to him without even thinking.

Then on the other hand, at the fire in the Sierra Madre estates, Captain Bobby Clark showed up in a tuxedo, and since most of the guys have only seen Bobby in his work clothes it knocked them all back a peg or two. I understand there will be a motion made this coming meeting that he show up dressed like that all of the time. It will help give the boys a little class.

Mr. and Mrs. Jorge Uribe are first-time parents since the arrival of their son, Daniel Alberto, at Sierra Madre Community Hospital on Wednesday, Sept. 27. He weighed 7 pounds, 10 ounces at birth. The Urbes live at 1000 Hastings Ranch Drive.

St. Rita's 'Back To School' Nite A Success

St. Rita's School has completed a week of "Back-to-school nights" for parents of all grades. Each evening teachers met with parents in the classrooms. Curriculum, the teaching procedures and home work policies were explained. A question and answer period followed giving an opportunity for more explanation and further clarification. Judging from the excellent attendance and the interest and enthusiasm of the moms and dads, the sessions were successful, reports Sister Corinne, principal.

Another highlight added much interest to the first weeks of the school year. An informal concert was given by the well-known and popular folk singer Sabastian Temple. This cultural event was one of many more activities planned for an expanded program in the fine arts.

Plans for the Sister's dinner on the Feast of St. Francis October 4 were made by the room mothers under the leadership of Mrs. Charles Norman, room mother chairman. These following room mothers are assisting with the affair: Mrs. Clifford Neschke, Mrs. Frank Kromka, Mrs. James Fisher, Mrs. Robert Licher, Mrs. George Haynes, Mrs. John Cremins, Mrs. John Sweeney, Mrs. James Palmer, Mrs. Ralph Foley, Mrs. Thomas Best, Mrs. Charles Weisler, Mrs. Peggy Pineda, Mrs. Joan Smalldon and Mrs. Sisie Fisher.

The rank of fleet admiral in the U.S. Navy was established December 14, 1944. The following day Ernest J. King, William D. Leahy and Chester W. Nimitz were appointed to that rank.

The beginning of the "Modern Navy" came in 1882 when Congress authorized building of the first steel warships.

Admitted to Sierra Madre Community Hospital the first of last week was Samuel Schwartz, whose home is at 257 E. Montecito Ave. He returned home on Thursday.

Villa Views

They just got their daughter Sheryl off to college at the University of Santa Barbara. It was kind of a close schedule, as Sheryl worked all summer and then candiwiced in a tonsilectomy before leaving.

Dr. and Mrs. Robert Mueller joined a group of doctors in Las Vegas last weekend. Dr. Mueller was there to attend lectures and take a refreshed course in his field.

In case you were wondering on last Saturday in the late afternoon, it was the wedding reception of Mr. and Mrs. John Christopher Fleming Brook (the former Miss Mary Ann-Gingrich). The reception was held by her parents, Mr. and Mrs. Robert Gingrich, at the home of Mr. and Mrs. Charles Klingerman.

The home of Mrs. Paul Siechert on Mesita Road was the scene of the welcoming coffee party given by the Arroyo Seco Council of the Pomona Women's Campus Club for the mothers of entering students. Mrs. Siechert is chairman of the Arroyo Seco Council.

Her co-hostesses were Mrs. Walter B. Powell, Mrs. Robert E. Barnett and Mrs. Joseph H. Frazier.

Mrs. Victor Neher and Mrs. James P. Elgin Jr. assisted Mrs. Siechert in addressing the group and in clarifying the purpose and ambitions of the Pomona Campus Clubs.

All of the ladies who were able to attend were from the San Gabriel Valley.

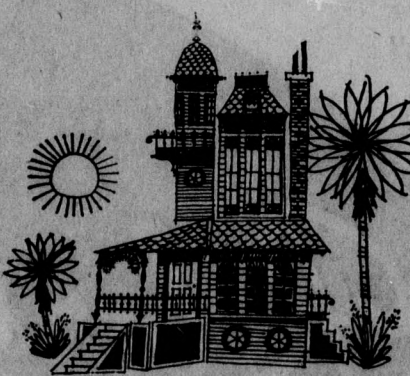

They were Mrs. George Cullers, Mrs. Bouford C. Doering, Mrs. Grant C. Earl, Mrs. James P. Elgin Jr., Mrs. James P. Giler, Mrs. Joseph A. Golden, Mrs. Donald F. Grannis, Mrs. Frank E. Hoban, Mrs. Fritz Hummel, Mrs. H. David Lifton and Mrs. Peter Van Huran.

The dismal weather in no way deterred the barbecue party held by the Couples Club group from the Messiah Lutheran Church. It was held at the home of Dr. and Mrs. Carl Freden in Kinveloa last Friday night and the attendance was somewhere between 40 and 50 people.

SM Man Member Dallas Seminary

Paul Joseph Young, son of Mr. and Mrs. W. T. Young, 390 N. Baldwin, is a fourth year student at Dallas Theological Seminary and Graduate School of Theology, 3909 Swiss Ave., Dallas, Texas, which began its 44th year Tuesday, September 12, with a record student body of 393 men.

Dallas Seminary also had a record entering class of 121 men this year. The new students are divided into the following classifications: first-year class, 117; second-year class, 1; graduate Th.M. course, 2; graduate Th.D. program, 1.

Take your problems to CHURCH this week -- millions leave them there!

—And where we'll stop, who can know?

We do have the best educational system in the world. But what will your child think and want and demand once we've educated him?

For in our system—unlike the Russian—we impart truth rather than ideas. We give our children the tools of thought, not the party line.

Does your child know that the center of all truth is God? Does he measure his aims by Christian standards of faith and morality? Has he learned where unbridled human passions of greed and power and selfishness can lead? Does he respect the religious faith and spiritual opportunities which motivated American Liberty?

Nobody can brainwash an American family. But it's up to each American family to choose every Sunday between the "around and around," and the center of truth—GOD.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

AN ORDINANCE OF THE

CITY OF SIERRA MADRE

AMENDING SECTION 9569

OF THE SIERRA MADRE

CITY CODE

THE CITY COUNCIL OF THE

CITY OF SIERRA MADRE DOES

ORDAIN:

SECTION 1. The City Council

does hereby amend Section 9569

of the Sierra Madre City Code

to read as follows:

Sec. 9569. Effective Date of

Order Granting or Denying

Variance or Conditional Use

Permit. Time when Appeal

may be made. The order of the

Planning Commission or Zoning

Board in granting or denying a

variance or conditional use

permit shall become final and

effective 14 calendar days

after the rendering of its report

granting or denying the

variance or conditional use permit

unless:

a) Within such 14 calendar

days, beginning the day

after action is taken, an appeal

is filed in writing and appeal

fee is filed with the Council

by any person dissatisfied

with the decision;

b) Within such 14 calendar

days, an appeal is made by

the written request of the City

Council — provided it with-

in said 14 day meeting of

a quorum of the City

Council has not been held,

then said 14 day appeal

period shall be extended

until the next regular meet-

ing of the City Council;

c) The filing of such appeal

within such time limit shall

stay the effective date of the

order of the Planning Com-

mission or Zoning Board until

such time as the Council has

acted on the appeal as here-

inafter set forth in this chap-

ter by the affirmation, modi-

fication or disapproval thereof.

SECTION 2. The City Clerk of

the City of Sierra Madre shall

certify to the passage and adop-

tion of this Ordinance, and to its

approval by the Mayor and shall

cause the same to be published

in the Sierra Madre News,

a newspaper of general circulation,

printed, published, and circulated

in the City of Sierra Madre,

Letters To the Editor

Dear Editor:
The following is an open letter to the City Council. Sierra Madre City Council Attention: Mayor King
Dear Sir:
I believe that in order for the city council to fulfill its obligations to the taxpayers of Sierra Madre, it must provide a public comparison of the Wagner-Maddox budget proposal and the Sorensen-King budget proposal. It is an outrage to raise taxes without even having a budget approved to know how much money is needed, and without letting the public know why it is needed.

I wish to remind you that Councilman Wagner and Councilwoman Maddox were elected by a large majority because of their platform of fiscal responsibility. Also, because of his severe shortcomings in this area the then incumbent Rule was summarily voted out of office. Now we find you have appointed a man the public has clearly rejected to help you carry out a policy which the public has also clearly rejected at the polls. If the expressed public will is to be so soundly trampled, don't you think an explanation is appropriate?

This taxpayer believes that such an explanation should take place at the next council meeting, so that the current fiscal year spending will be against a definite budget.

BERNICE F. MILLER

Dear Editor:
I'm haunted by a recent article in the Herald-Examiner titled "Land Values Seen Hitting \$43 Billion," which states "... in the year 2000 when 3,150 persons per acre will live in the 10 million usable acres of land still available for development in California..." And, further, "... With a density of only 70 persons per acre now... it can be seen the rate of growth... will be 5 times the rate experienced in the past 50 years..."

If these figures are correct, then I'm not only hopelessly outdated by the miniskirt but also by the New Math. According to my ancient dictionary and my Hootin' Holler arithmetic, California has 158,687 square

miles or 101.5 million acres. If only 50 million acres were usable, that would give each person 2.5 acres based on current estimated population of 19.5 million. On the other hand, if "70 now" per acre were right, California's population, based on 50 million usable acres, 3.5 billion. On the "3,150 per acre prediction," the population would be 157.5 billion. Just wonder what those little imported men and women from Mars would look like.

Populous Los Angeles city, with 422 square miles or 269,080 acres, has only about 10 persons per acre. Los Angeles County, with 4,083 square miles or 2,613,120 acres, has around 2.6 persons per acre. In fact, the entire population of the United States could be within California's boundaries and there would be only about 2 persons per acre, based on 190 million population and a total of 101.5 million acres, including water surface, mountains, deserts and swamps.

I believe Sierra Madre's developed area has about 11 persons per acre, or maybe 5 including the wilderness area. Imagine only 37 years from now Sierra Madre with more than 3 million "souls." Our corner and the lot and a half adjoining are an acre. There are now seven adults, one dog and a million snails living on it. I can't see 3,150 humans and 1,000 dogs resting comfortably on this tiny plot of ground. And where would they put 6,000 cars? Perish the thought!

LILLIAN B. SAGE.

Dear Editor:

As press chairman for the Friends of the Sierra Madre Library, I thank you for the cooperating you have shown us in printing the article in the News regarding our membership drive.

One of man's greatest creations is the newspaper. It fights the people's battles and gives them knowledge of events and important organizations. With the help of your paper, I'm sure the Friends will have a successful year.

Ellen Hardy never dreamed she could retire with The Big Money.

California Federal Savings showed her how.

You can't beat Ellen Hardy at arithmetic. She just hadn't considered how fast savings add up at California Federal. Money doubles in less than 14 years at our current rate and compounding. The annual yield is the nation's highest on insured savings. So, with the nest egg inherited from her parents and what she's saved already... doubled... Ellen will have the Big Money at retirement. And we'll give her the Big Money treatment right along. Friendly service. Our \$1.5 billion assets-strength. At the nation's largest federal, we give everyone the Big Money treatment. It's an extra pleasure with someone like Ellen Hardy.

Nation's highest earnings on insured savings.

5.127% annual yield on passbook accounts when savings and all dividends remain a year, if our 5% current annual rate is compounded daily and maintained a year.

5.25% on new bonus accounts. 3-year bonus certificates on \$1,000 minimum accounts earn 1/4% yearly bonus above base rate.

Dividends paid quarterly. Funds received by 10th of any month earn from the 1st. After the 10th, new funds earn from 1st of following month. Funds in passbook accounts 3 months or more earn to day withdrawn when account remains open to end of the quarter. Accounts insured to \$15,000 by a permanent agency of the U.S. Government. Established in 1925. Federally chartered and supervised.

Bronze and Gold Brunch Held Today

Mrs. Henry H. Danowsky, 350 San Gabriel Court, will be hostess for the annual Bronze and Gold Brunch of the Crippled Children's Guild of Orthopaedic Hospital to be held Thursday.

Special recognition will be given to the women who have qualified for full membership with volunteer service at the hospital and support of auxiliary projects during their provisional year.

Receiving gold chrysanthemums which indicate their active status will be Mmes. Wesley E. Anderson, Norman D. Hawley, E. Kennedy Cobb, Harry A. Jackson, Richard H. Kohler, Roger O. L'Heureux and Robert K. Mitchell of Sierra Madre and Mrs. Charles W. McCurdy of Pasadena.

Bronze chrysanthemums will be given to the new provisionals who are to be welcomed by Mrs. Danowsky, president. Invitations have been extended to Mmes. August Chairy, Jack A. Overholt, Taylor C. Scott, Neale A. Perkins, John Adams and Larry Garland.

After the brunch, Mrs. Billie Thompson, volunteer coordinator at the hospital, will conduct a tour of the hospital for the new provisionals.

ATEND THE CHURCH OF
YOUR CHOICE SUNDAY

SPORTS AS Hank Ives SEES IT

OLD HANKUS will be surprised if the Pasadena C.C. Lancers make it to the new state junior college playoffs. The guess here is that a well-balanced Western States Conference will find Harbor the winner of the title, with Pasadena, Ventura and Glendale in a dogfight for second and Santa Barbara and Compton not far behind. The conference champ could well lose two games. In the piggy-skirt predicting bit Old Hankus looks for Harbor to get off to a winning start by nudging the Lancers this week by a 16-14 tally at the ancient Seahawk field.

HOMER BEATTY, highly successful coach of the Orange County Ramblers, claims that the Continental League is the third best in the U.S. Apparently the Orange County aim is to gain a franchise in the American Football League.

ALL THREE LOCAL HIGH SCHOOLS are off to great starts and should make this weekend another all-winning one. PASADENA will bounce Glendale Friday night on the Dynamiters'

field... MUIR, after a stirring deadlock with mighty Centennial, should find easier pickings Friday night at Horrell Field when they meet Burbank... BLAIR hosts Hoover Saturday night at Horrell and should romp. THE PASADENA QUARTERBACKS will honor Pasadena High at their Friday meeting with Tom Hamilton gaining the podium. Stanford's Indians, in town to battle USC Saturday night, will provide the feature speakers of the day with Mike Garrett, Harry Hugasian and Bill McCall expected to be present. Any football fan is invited to attend these fine luncheons at the Elks Club each Friday.

OLD HANKUS sports a 74 per cent record to date with a 42-15-2 mark. Two of last week's seven losses were of the "watch out for an upset" variety, Arizona St. over Wisconsin and California over Michigan. This week's coastal clashes look something like this:

USC to trounce Stanford with the Trojans maintaining their torrid head of steam... UCLA to bounce Penn State but make it 24-10... WASHINGTON to put an end to Oregon State's nine-game winning skin... CALIFORNIA over the Air Force and this isn't a bad Bear team... OHIO STATE to beat Oregon 10-7... WEBER STATE over Cal St. L.A. but an upset here wouldn't surprise. The Diablos remember last year's 70-7 thumping by the Wildcats.

IT WOULD BE DIFFICULT TO DISPUTE the Player's own All-Star baseball picks for 1967. Tim McCarver is the catcher with Orlando Cepeda at first, Bill Mazeroski at second, Jim Fregosi at short and Ron Santo at third. The outfield has Carl Yastrzemski, Henry Aaron and Roberto Clemente in the outfield with Jim Lonborg the starting pitcher and Ted Abernathy the reliever. Minnie Rojas might have been a good pick in the relief role.

BACK TO THE PICKS... WASHINGTON STATE to gain win number one over Baylor... DUKE to squeak by Army 21-20... CLEMSON over Georgia Tech in a bit of an upset... TEXAS A & M to get their initial victory by dumping Florida State... ILLINOIS over Indiana in a close one... MICHIGAN to beat Navy with a field goal... MINNESOTA over S.M.U. in a slight upset.

TRADE RUMORS... Big Don Drysdale must surely be the number one chunk of trade bait for the Dodgers. Pittsburgh would love to get him and have power hitting players in abundance. Dangle before Buzzie Bavasi. Donn Clendenon will be on the market. Vada Pinson might be available from the Reds if Drysdale were involved in the swap.

THE RAMS made a believer out of Hankus with their smashing win over Dallas and should trounce the 49ers... CHARGERS over Boston.

BOSTON TO DEFEAT ST. LOUIS IN THE WORLD SERIES... How do you like those tomatoes? Dick Williams has proved to be a miracle worker boosting the Sox from ninth place to a pennant under the most trying conditions. So why not figure the Beantowners for four more victories.

IF CARL YASTRZEMSKI isn't the MVP in the A.L. they should forget the selection. Same goes for Williams as "manager of the year." Durocher and Orlando Cepeda should win the similar awards in the N.L. In the meantime Old Hankus tabs the Red Sox to win the World Series in seven games.

Team members have spent many hours during the last 30 days in negotiations with the County Supervisors trying to solve their problems and keep their name of the famed Sierra Madre Search and Rescue Team, which is known border to border. Sheriff Pitchess refused to appear at the meeting on Monday.

The last meeting held between the Search and Rescue Team members and the County Supervisors was held Monday, October 2, 11 a.m., when Team members did everything in their power to remain a Search and Rescue Team. Peter J. Pitchess last words were, "You are fired."

and Canada. It was chosen for its excellence of design and efficiency of operation by a panel of judges who represented the top echelon in drycleaning management. This drycleaning plant and its owner, Joseph Delgatto, will be featured in the January issue of American Drycleaning magazine, the industry's leading magazine, with a circulation of over 30,000.

Fire Call

To leave the station, followed procedure and parked at the entrance to the Canyon at the corner of Mountain Trail and Sturtevant Drive, ready to either enter the fire area if needed, still ready to respond to another call should there have been one. Fourteen men and one reserve answered the call. Fire Chief Charles Brown reported no monetary damage.

Pro-America Club To Have Police Talk, 'Hippie' Film

Pro-America begins its 1967-1968 season with an informal dinner for members, guests and their families at the home of Dr. and Mrs. John Evans on Friday, Oct. 13, at 6:30 p.m. The unusual program for the evening was designed with teenagers in mind and promises to be one which will long remain in their memories. A film entitled "The Hippies" will explore the movement from its inception to its obvious end, answering many questions now being explored by both young people and their parents.

Lt. Gordon Browning of the Los Angeles Police Department will be the honored speaker for the evening. Past president of the Firemen and Police Research Organization and presently a member of the West Covina School Board in addition to his police duties, Lt. Browning is one of the most sought after speakers in this area. His years of experience in various areas of law en-

forcement have provided him with answers to many of the questions our young people are asking. Reservations for dinner and the evening may be made by calling Mrs. Lawrence Odlin at 444-1543 or Mrs. Burdett Otis at 799-5502.

Announcement of the Pro-America Executive Board for the coming year revealed that Mrs. E. David Shooshan will preside, with Mrs. McClary Harbison as first vice president and Mrs. Herman Garretson as second vice president. Mrs. Dennis C. Barry will serve a second term as recording secretary, Mrs. Ronald B. Garretson as corresponding secretary, Mrs. Lawrence Odlin, treasurer, and Mrs. Sam T. Hayward as coordinating secretary.

Pro-America is a national independent organization of women who are interested in the field of politics and political education. It includes, in its membership and among its officers, Constitutional Republicans,

Democrats, and women who have never been members of any political party. It was founded in 1933 in Seattle, Wash., and dedicated on Washington's birthday by the late Mrs. Theodore Roosevelt, who became its first Honorary National President.

Anyone interested in joining Pro-America was receive more information by calling Mrs. Lawrence Odlin at 441-1543.

When Kathleen Ann Pearsall, weighing 6 pounds, 13 ounces, made her debut at Sierra Madre Community Hospital on Thursday, Sept. 28, the genuine joy and happiness of her parents and grandparents really caught on. Her parents are Mr. and Mrs. Edward Pearsall, who reside at 1901 S. Second St., Alhambra.

In an average year the Coast Guard answers approximately 50,000 requests for assistance.

Rev. David Howell Asks a Question

On Sunday at the 10 a.m. worship service at the Sierra Madre Congregational Church the Rev. David G. Howell asks the questions, "Does God have a sense of humor? Is He a happy God?" In this sermon on "Holy Humor," the minister states that good humor is essential to wholeness, wholeness and holiness—no one can be a complete person without it.

Esther and J. K. Anderson and family, had a restful and relaxing week's vacation at Mission Bay during the last week of September. While Kevin, 5, and Patricia, 3, played in the sand, older son, Gary, 17, and a friend body-surfed. Mom and Dad watched from a distance, soaking up sun instead of water. Very nice time had by all.

Red Cross Has First Meet Plans For Year's Activities

The Sierra Madre Red Cross Chapter held the first board meeting of the year on Sept. 18 at the home of Mrs. William Van Sicle, with Mrs. R. Barden presiding in her capacity as Branch chairman.

Mrs. Guy Markham, cardiac recruitment chairman, stated that volunteers are urgently needed to spend one Tuesday or Thursday a month at the Blood Center in Los Angeles. These helpers call blood donors who are already on file when blood is needed for use in open-heart surgery (about 250 pints are needed for each patient), and write thank-you notes to those who have already donated. Rides to and from the Center will be available for those wishing to aid this project, and further information may be obtained from Mrs. Markham at 355-1007.

Carl Hobson announced that the United Crusade is underway and workers are needed for the Residential Campaign. Red Cross no longer conducts a separate fund drive, but receives a percentage of United Crusade funds, so donors are contacted only once for both Red Cross and United Way organizations. Volunteers may phone the Red Cross office at 355-0745 weekdays between 10-12 or 1-3 for more information.

Sierra Madre Blood Bank will be held at Sierra Mesa Cafeteria Monday, Nov. 13, from 2:30 to 7 p.m., according to Mrs. Charles Silet Jr., Blood Bank chairman.

Mrs. Richard Wizenick announced that the ditty bags for distribution to servicemen in Vietnam at Christmas have been filled and sent, and the Red Cross would like to thank the following for their help: Mike Coyle, Susan Coyle, Richard Barden, Elizabeth Barden, Anne Barden, Sheila Burke, Carrie Jones, Kathryn Kurzwel, John Pedrow, Kathy Pedrow, Linda Carpenter, Mark Anderson, Jackie Iversen, Melissa Van Sicle, Edward Van Sicle, and Mrs. A. E. Gordeau. Also thanks to Avon, Robert Evans, Hartman's Pharmacy, Royal Drug and St. Rita's for their donations.

Other officers attending the board meeting were Mrs. Jerry Adkins, J. Irl Beatty, Mrs. Edward Chapman, Robert Duncanson, Mrs. A. E. Gordeau, Mrs. Richard Law, Mrs. A. J. Salter and two Pasadena Chapter members, William Spuck, executive director, and Mrs. Ann Mack, Branch coordinator.

Shakespeare Club At Luncheon

Shakespeare Club of Pasadena will meet for luncheon at 12 noon on Tuesday, Oct. 10, in Stratford House. Mrs. Harold D. Wiener, president, will preside at the luncheon meeting and Mrs. King Robey, chairman of the day, will introduce the speakers, Mrs. Don Hawden Rose and Mr. David H. Gauntlett.

Mrs. Rose, president of the Pasadena Opera Board, will tell of the founding of the opera company and discuss its function. Mr. Gauntlett, a new member of this board, will speak on "How I Came to Opera."

At 1:30 p.m. in the Auditorium, Shakespeare Day at the Opera, a show-casing some of our local talent in famous opera selections, will be presented. Mrs. William R. Mayhew, program chairman, states that these artists are award winners and will bring youth, beauty and talent — "Tomorrow's Stars Today."

Worker Killed
The famed Sierra Madre Search and Rescue team, lead by Miner Harkness was summoned and two members of the rescue squad were able to uncover Munoz's body.

Dr. George Lamsa, Noted Author, To Speak Oct. 15, 16

The Santa Anita Church is happy to announce that Dr. George M. Lamsa, noted scriptural scholar, author and lecturer will be the guest speaker for two days, October 15 and 16.

Dr. Lamsa was born in the Garden of Eden, the only place in the world where the customs and language have not changed since the days of Abraham and the patriarchs. Dr. Lamsa spent 30 years on his translation of the Bible from Aramaic, the language of Jesus, and has written 15 books of commentary on the Bible. He has served on the teaching staff at the Unity School of Christianity, Lee's Summit, Missouri, during the past year while continuing to fill lecture engagements throughout the country. His latest book, "And the Scroll Opened," will be released by Doubleday in October.

In "Who's Who In America," it is noted that Dr. Lamsa discovered the origin of the English Alphabet. Dr. Lamsa will speak at The Santa Anita Church on Sunday, October 15, at the 11 a.m. Worship Service on the subject, "The Kingdom On Earth," and again on Sunday, evening at 7:30 when his subject will be "Bible Dreams and Visions." On Monday evening, October 16, at 7:30, he will open the Second Year Accredited Course with one of his inimitable lectures on the parables of Jesus. Everyone is welcome. A love offering will be accepted for Dr. Lamsa.

Faith Lutheran Church To Start 5 Day New Life Mission, Oct. 11

A worship service next Wednesday evening at 7:30, will inaugurate the five-day New Life Mission at Faith Lutheran Church, 845 Hastings Ranch Drive. Serving as the Guest Missioner for this congregational evaluation program will be the Rev. Frank Jacobsen, pastor of Zion Lutheran Church in San Francisco and the second vice president of the Northern California District of The Lutheran Church — Missouri Synod.

After the Wednesday evening worship service, members of the congregation will convene in the parish hall to evaluate their congregational fiscal and stewardship program. The Thursday evening, 7:30 to 9:15, assembly will endeavor to evaluate the church's programs of education and evangelism. On Friday evening the Guest Missioner will meet with the congregation's New Life Mission Committee to discuss the evaluations and recommendations.

Holy Communion will be celebrated in the 10:30 worship hour this coming Sunday, with the Rev. Armin Hesse speaking on "With the Wedding Garment" as he presents primarily the second half of the Lord's Parable concerning The King's Wedding Banquet. During the 9:15 Sunday school hour, Dr. Walter A. Schroeder will lead the Adult Bible Class in the sanctuary in a discussion on "The Augsburg Confession." The young people of the Walther League will meet at 7 on Sunday evening.

The first of a series of weekly meetings for the High School Church-Membership Study Class will be conducted by Mr. Donald Hingst on Monday afternoon at 4. The second session of the Adult Church-Membership Study Class will be conducted by the pastor on

Thursday night at 8. Other parish activities scheduled for next week include: The Evangelism Board on Monday night at 7:30; the Junior Choir and the Sunday School Staff on Tuesday evening at 7:30; the Adult Choir on Thursday night at 8. The young people of the Walther League will join the youth of Pasadena's First Lutheran and Mt. Olive Lutheran churches in a New Life Youth Rally next Saturday evening at 6:30 in the parish hall at First Lutheran Church, 808 N. Los Robles Ave.

Scientists' Lesson Theme

"Herein is love, not that we loved God, but that he loved us, and sent his Son to be the propitiation for our sins." (1 John 4:10). This is the Golden Text from this week's Bible lesson on the "Doctrine of Atonement" to be read in all Christian Science churches on Sunday.

Rose Float

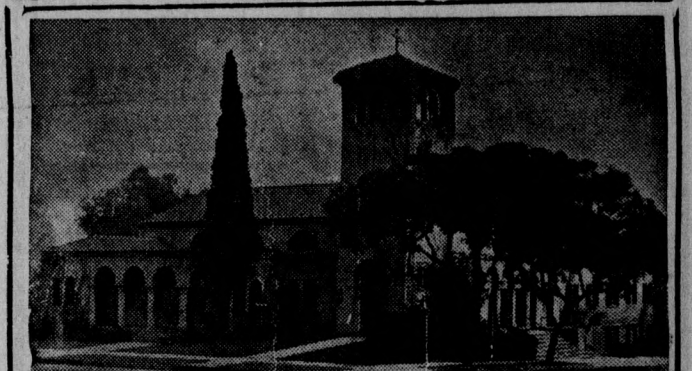

La Salle High School at 8. The cost will be \$1.25 for adults and 50 cents for children through 16 years of age, with a special showing on Sunday, October 8 at 8 p.m. at the Sierra Madre Women's Club for Senior Citizens.

"Kon Tiki" is the theme for Sierra Madre's entry in the 1968 Pasadena Tournament of Roses and is based on the best selling book by Thor Heyerdahl describing his trip on a balsa-wood raft from Peru to the Polynesian Islands, with five crew members.

Tickets for the three showings will be available at the door or by calling Mrs. Cowan, 355-2507, or Mrs. Malcolm Birch, 355-6675.

Twins Club Discuss Boutique At Dinner Meet

The Santa Anita Mothers of Twins Club held their monthly dinner meeting Tuesday, Oct. 3, at 650 W. Duarte Road, Arcadia. The meeting began at 7, with a half hour set aside for socializing, and dinner served at 7:30.

One of the club's members, Mrs. Sue Grunwald, who does child guidance work for the Alhambra School System headed a panel discussion on topics pertaining to twins.

Through the next month, the girls will be busy discussing and making plans for their boutique being held on November 18, 11 a.m. to 4 p.m. Saturday, at the Pacific Savings and Loan Building, 413 Live Oak, Arcadia. Chairmen are Mrs. Cliff Laskin, and co-chairman Mrs. Gino Roncelli will be working hard with the girls to come up with many lovely Christmas ideas.

For information concerning the activities of the club, contact Mrs. John Harte, 289-4830, or Mrs. Jan Brumley, 287-5915.

Letters To the Editor . . .

Dear Editor:

Every five years, the Export Import Bank faces Congress, in order to have its life extended. At this moment, House Resolution 6649, if passed, would extend the life of the Bank until 1973. The Act would also increase the Bank's ability to function in the following ways: (1) By increasing, in the amount of one billion, five hundred million dollars, its authorization to insure, co-insure, and reinsure United States exporters and foreign exporters doing business in the United States; and, (2) by increasing, in the amount of four billion, five hundred million dollars, the amount it can have outstanding at one time in loans, guarantees, and insurance.

As many Americans realize, the Export Import Bank is playing a leading role in President Johnson's "bridge building" campaign. Fortunately, there are a few patriotic individuals still serving in Congress. One such person is Representative Paul Fino, who serves on the House Banking and Currency Committee. Congressman Fino has presented an amendment to House Resolution 6649 (The Export Import Bank Extension Act), which states: "The Bank

may not insure, guarantee, make loans in support of, or otherwise finance exports to, or for use by or in, any nation which shall be engaged in armed conflict, declared or otherwise, with the United States or military forces thereof, or any nation the government of which shall be furnishing goods or supplies to any other nation which shall be engaged in such armed conflict with the United States."

Of course, this amendment makes sound sense and, if passed, could seriously hamper the Viet Cong's activity and ability in the Vietnam war.

Because it is not trade alone which directly and indirectly keeps the Viet Cong supplied (for our foreign aid does also), it would seem to me that Paul Fino's amendment should be attached to every Bill passed in Congress, which involves United States' help to any country, no matter what form the aid is.

Lawyers' Wives To Meet On Thurs., Oct. 12

The San Gabriel Valley Lawyers' Wives will welcome new and prospective members at their membership luncheon and "Fun with Fall Fashions," on Thursday, October 12. The event is to be held at 101 S. 1st Ave., in Arcadia.

Mrs. Donald R. Krag newly elected president and Mrs. Jack Tyrell, membership chairman, will greet people at the 11:30 social hour followed by luncheon and a fashion show. Fashions will be modeled by Mrs. Scott McCormac, Mrs. Richard B. Joslyn, Mrs. Orville Marlett, Mrs. Gerald Luhman, Mrs. Charles R. Martin, and Mrs. Stanley Clark, all members of the Lawyers' Wives. Chairman, Mrs. Jack Tyrell will narrate the show.

Those on the membership committee are Mrs. Don Mike Anthony, Mrs. Thomas Garry, Mrs. Samuel Greenburg, Mrs. Orville Marlett, Mrs. Dennis Modjeski and Mrs. William D. Shaw. Call Mrs. Dennis Modjeski, 281-8167, by October 9 for reservations.

'Blind Foursome' Tourney Winners

Eaton Canyon Women played a Blind Foursome tournament on September 26. First place winners, determined by totals of low net scores, were Fran Wall, Eva Bassett Molly Cowing and Helen Finley with 290. Second winners were Goldie Murray Joan Curtis Kay Neves and Ruth Dunning with 291. In third place with 295 were Margaret Dunkle, Peg Simpson, Marge Carta and Neil Schellman. A special award for lowest net score of 68 went to Nenita Fransisco. Best putter for the day was Ann Kessler with 31 putts.

Relatives From Illinois At Lakins Home

The Eugene Lakins, 110 Lowell, have been very busy entertaining these past weeks. A month ago, Mr. Lakins' sister, Marilyn Coe of Springfield, Ill., came out here on vacation. She was so pleased with the sights of California, that she is thinking of coming out again . . . this time, permanently.

From Sept. 11 to 20, another sister of Mr. Lakins, Trudi Harkins and her husband Mike, also of Illinois, stayed with the Lakins, but spent much of their time visiting their son in Fountain Valley, whose wife had recently given birth to a baby boy. While here, however, they attended the Barbershop Quartet and Chorus Show, of which Mr. Lakins is a member. After their stay in Sierra Madre, they left for Las Vegas, where they matched wits with the "one-armed bandits."

Magic In Motion Theme Of Show

"California Kaleidoscope" this year represents "Magic In Motion," the perennial theme of the crippled children's benefit of the Southern California Executive Board of Alpha Chi Omega.

The fashion luncheon, to be held on November 2, promises to be a particularly delightful event with a kaleidoscope of fashion.

Eleven leading California designers and manufacturers will be presented with clothes ranging from at-home wear to elegant evening gowns.

Anne Eggenberger, an Alpha Chi Omega, will be producing and commenting the show.

As a setting for this fashion panorama, the International Ballroom of the Beverly Hilton Hotel will be decorated with a kaleidoscope of color, with vivid, papier mache mobiles forming the leaves of centerpiece trees made from manzanita branches.

Alpha Chi Omega Alumnae and guests from all over Southern California will be attending this eleventh annual event.

Proceeds from the benefit, totalling over \$66,500 to date, help finance the Scholarship Fund of the Crippled Children's Society of Los Angeles. Alpha Chi Omega is the only collegiate sorority contributing to the fund with scholarships maintained at UCLA, USC, Long Beach State and California State College at Los Angeles. These grants have varied in amounts from \$50 to \$2400, and are used for the training of graduate students working in the fields of occupational, physical and speech therapy.

Names of Sierra Madre Alpha Chi Omegas attending are: Mrs. Myron E. Smith, Mrs. John E. Osborn, Mrs. R. H. Kohler, Mrs. Jack Kindred, Miss Naomi Gunderson.

And those from Arcadia are: Mrs. Elwood Laine, Mrs. Eugene Moscarel, Mrs. Laurence Schott, Mrs. Dorothy Sewell, Mrs. Thomas Stephens, Mrs. Robert Stewart, Mrs. F. Morse Webber, Mrs. Clifford Willcox, Mrs. Richard Miller, Mrs. Albert M. Ashworth, Mrs. John Broomfield, Mrs. Charles deYoung, Mrs. John L. Dumas, Mrs. William E. Fryer, Mrs. Dean Lewis Horstman, Mrs. Harry F. Kirby, Mrs. Kenneth Klippell, Mrs. Theo A. Rieger, Mrs. Paul H. Howe, Mrs. William Mallonee, Mrs. Robert Schack, and Mrs. Donald Swenson.

Society of Arts & Letters To Meet Pasa. October 10

The Pasadena Chapter of the National Society of Arts & Letters will meet at the Pasadena Public Library on Tuesday afternoon, October 10. A concert program will be conducted by Program Chairman, and First Vice-President Anita Balcher, consisting of the Woodwind Group, Ruth Hauck, pianist, David Player, bass.

This 2 p.m. program will be preceded by a business meeting, conducted by President Estelle C. DeHonestis, of Temple City, during which plans will be made for a program television appearance by the group in October.

Advisory Council new members Arthur Drew, artist, and Maestro de Cola, radio commentator, piano humorist, as well as honorary member, Norman Hall, artist, will be made welcome. Advisory Council member Frederick Zimmerman, artist, recently exhibited in the annual Catalina Island Art Festival. Guests to the program will be welcome.

Try Again

The first session of the first legislature after reapportionment has ended, looking very much like the pre-reapportionment legislature paid \$6,000 instead of \$16,000 a year.

This legislature took longer than any other to do the same or less. There were few major bills and countless inconsequential bills designed apparently to give the state printing plant exercise.

In the senate the Los Angeles — Southern California delegation was shut out by the Northern California veterans through use of rules on seniority and bills on metropolitan transportation and smog were committee chairmen vetoed as in the past.

The same rush occurred with one-third of the bills being introduced the last two days and about one-half of the bills being finally passed in the last week.

The same bills were referred "for interim study" that have been referred in prior years. Presumably interim studies, if they occur, will produce the same results as in prior years — more interim studies.

The same enmities evolved, but new names were called.

The same last minute amendments were proposed; the same attempts made at fattening retirement for former legislators.

The more they change, the more legislatures become the same.

Gravy Bowl Runs Dry

The gravy bowl at Drop City, Colorado, has run dry. Drop City is a community of 12 adult hippies and 13 children, if there is a difference. For some time they have been receiving Colorado Welfare Department food stamps.

Pointing out that the stamps are intended to raise the level of nutrition among low-income families, and that most of Drop City's residents are university graduates and quiet capable of work, the Department has said "no more."

The hippies' plaintive reply is that this is equivalent to saying they don't have the right to be poor. "We feel we have the constitutional right to live and work as we choose," they say.

So they do. They even have the right to starve, if they don't want to work for food. It is typical of the Love Generation's phoniness that they expect the taxpayers to subsidize their laziness.

How About Scotch?

New York Senator Bobby Kennedy has announced a legislative crusade against cigaret manufacturers for "peddling deadly weapons." Two of his bills would regulate the industry's advertising in all media. The third would provide a tax scale keyed to the amounts of tar and nicotine in cigarettes.

The Senator wants to require all ads to carry a warning similar to that required on packages. And he wants to give the Federal Communications Commission the power to regulate the times and types of broadcast programs on which cigaret advertising may appear, as well as over-all volume of advertising.

Mr. Kennedy's eagerness to put the government back into the Prohibition business might seem more like sincere, if misguided, concern for the health of his fellow citizen if he would include in his proscription the Scotch and other liquors upon which was founded the fortune to which he is an heir.

U.S. A Charity?

The way the federal government throws money around, you wouldn't think it would go to court for a measly \$24,210. But it has. Seems a patriotic Illinois bachelor left his entire \$170,000 estate to the government "to pay public debts." When the State of Illinois claimed \$24,210 in inheritance taxes the federal government protested on the grounds that it is a charitable institution and therefore the estate is not taxable.

Well! The IRS hasn't looked kindly upon facetious taxpayers who claim the federal government as a dependent. So far no one has come to our attention as having deducted his federal income tax as a charitable donation; but if the U.S. wins its Illinois case why wouldn't that be proper?

Could be that the suit for a mere 24 grand could turn out to be the costliest boo-boo of the century.

Free Press Means Much

Newspaper Week! October 8 to 14. Probably the most impressive way for the public to learn what newspapers mean in their daily lives would be to have no papers printed during Newspaper Week—but that is not practical.

The hometown paper is the living record of what happens in the thousands of communities across the land — marriages, births, deaths, social activity, politics, school news, legal notices, advertised products to inform customers, world news, everything that enables the U.S. citizen to be familiar with the latest devices and products by which he enjoys the highest living and information standards in the world.

But over and above these material blessings, a free press, which is the background of free speech, is the average man's guarantee of personal liberty, religious freedom and protection against political and judicial persecution. Dictators are afraid of a free press, hence they have a controlled press. The people read only what their rulers wish them to read. Try imagining if you can, what it would be like to live in a country where an editor dared not print a letter criticizing the political party in power, and where an editor feared to express an adverse opinion. Think of what a free press really means to you — life, freedom from political oppression, liberty and the pursuit of happiness under our Constitution.

Faced with a GOP upsurge, Democratic party strategists are worrying over how to allocate next year's campaign funds with a brannigan building up over whether to work harder to hold marginal seats in the House or seek to win back seats lost two years ago, according to capitol sources.

Out of the Cobwebs

10 Years Ago This Week:

Debbie Gollatz celebrated her fourth birthday with a fireman's motif, complete with the chief himself, who came to the party and gave the children some interesting safety instructions. The children were each presented fire hats and miniature fire trucks, and the high point of the occasion was a fire engine complete with four firemen.

Dot Cotten, a junior at PHS, was awarded the coveted Eagle Scout Award.

It might be interesting to note that not all prices have gone up. Ten years ago this week, coffee, was on special for 89 cents a pound, and frozen TV dinners, which can now be procured for 49 cents each, were selling for 65 cents each.

Ruth Ellen Wood became the bride of Neil David Ferguson in Arcadia Presbyterian Church.

30 Years Ago This Week: The Constitution Sesqui-centennial stamp is now available at the Post Office. It portrays the signing of the Constitution in the Philadelphia Constitutional Convention Sept. 17, 1787, in Independence Hall. The face value is 3 cents and the color is reddish purple.

Hugo Adams, Sierra Madre carrier pigeon breeder, this week captured the city's first honors at the Los Angeles County Fair at Pomona.

The City Council authorized the street department to paint a pedestrian lane across Mountain Trail Ave. at Highland Ave. and to install a "Slow" sign on the upstreet side of Highland Ave.

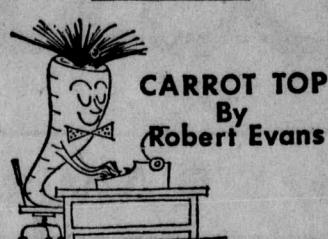

"Artists and Models," Paramount's super musical featuring Jack Benny, Ida Lupino, Richard Arlen and Gail Patrick, heads the bill currently showing at the Lyric Theater in Monrovia. The companion film is "Love Under Fire," a fast moving comedy-drama starring Loretta Young and Don Ameche.

60 Years Ago This Week: Part of the banner head read: THE SIERRA MADRE NEWS. Published every Friday. Subscription \$1.50 yearly, in advance. Single copies 5c; 50c a dozen.

Three cents an ounce is the new rate for first class mail, according to detailed instructions sent postmasters by Postmaster General Burleson.

Mr. Crawford Williams left for Palm Springs where he will spend the winter.

The following appeared in the classified section: SNAP! FOR RENT — 5-room fully modern, completely furnished bungalow; every convenience; large space for garden. Best soil in Sierra Madre. \$12—water paid.

carrier was expected to carry his spear. Although this, too, is very likely always covered in the spear carrier's union contract, it's something a fellow should learn about before he gets too deeply committed. What if he found his spear-carrying hours interfered with his social activities? Or kept him from attending the Council Meetings? He would have no choice but to remain unemployed.

—CT—
I would've applied for a spear carrying job myself, but for one detail the ad omitted. The ad did not state who was to furnish the spear. If the opera company did the furnishing, that would've been one thing. On the other hand, if the company expected me to provide my own, I wouldn't have been interested.

—CT—
You see, if the job didn't work out for one reason or another, I'd been stuck with a spear that I might never use again in a blue moon. You must look ahead in serious problems such as this when you are called upon for a decision.

—CT—
Of course, while looking the ads I also ran across one by a large tool machine company which had a striking headline . . . "We mass produce almost everything in this country . . . except character." . . . Here I gave up reading the ads. After all, I am well employed, and do not see any prospects of getting laid off for the balance of this year.

—CT—
In closing the column this week, let me give you a bit of advice, especially if you are a merchant and have customers who are a little slow in paying their bills. The store I had in mind had sent several notices to this customer and as a last resort they sent the final statement to the delinquent customer with this remark stamped across the face of it . . . "If you don't pay your bill, we'll tell all of your other creditors you hope, I hope, I hope, I hope." This could work, I
